

Privacy policy

Scope of application

This privacy statement is aimed at informing the users of this website about the type, scope and purpose of the collection and use of personal data by the website operator Werner Brusberg S.L.U. in accordance with the *Bundesdatenschutzgesetz* (German federal data protection act) and the *Telemediengesetz* (German telemedia act).

The website operator takes your data protection very seriously and processes your personal data confidentially and in accordance with the legal regulations.

Please bear in mind that data transmission over the Internet may be subject to security breaches. A full protection against access by third parties is not possible.

Access data

The website operator or provider collects data about accesses to the site and saves them as "server log files". The following data is logged:

- visited website
- access time (time of the day)
- amount of sent data in bytes
- source/reference which brought you to the website
- used browser
- used operating system
- used IP address

The data collected is only used for statistical analysis and to improve the website. However, the website operator reserves the right to check the server log files at a later date, if there are specific indications of illegal use.

Cookies

This website uses cookies. These are small text files which are stored on your end device. Your browser will access these files. The use of cookies enhances the user-friendliness and security of this website. Many browsers feature setting options that disable cookies. Note: We cannot guarantee that you will be able to access all functions of this website without restrictions if you choose the corresponding settings.

Handling of personal data

The website operator collects, uses and shares your personal data only if this is permitted by law or if you consent to the collection of data.

Personal data is considered to be any information which serves to identify your person and which can be traced back to you - for example your name, e-mail address and telephone number.

Handling of contact data

If you contact the website operator using the provided contact information, your details will be stored so that they can be used to process and answer your enquiry. This data will not be disclosed to third parties without your consent.

User rights: information, rectification and erasure

Upon request you, as a user, will receive free-of-charge information on what personal data about you has been stored. Unless your request interferes with a legal obligation to store data (e.g. data retention), you have the right to rectify incorrect data and to block or delete your personal data.
