

Damage survey reports

- 1) If your sport boat/your yacht has suffered any kind of damage, we are your competent partner. In the event of collision, grounding, sinking, stranding, seawater ingress, damages to the propulsion system and rigging, lightning damage, burglary, theft and fire, we will secure the evidences, determine the cause and assess the damage.
- 2) Our field of activity also includes the assessment of material and construction defects as well as defective repair work.

Our clients are insurers (hull and liability) as well as owners and courts of justice.
